Joe & Kim's Honeymoon Off the beaten track, Zimbabwe

"Firstly we both want to say a huge thank you to you all for arranging the most amazing honeymoon for us to Zimbabwe. We have had the best couple of weeks, the sights we have seen, places we have visited and people we have met have honestly left everlasting memories with us both. We were blown away by the breath taking scenery everywhere we visited, the floating rocks amazed us both, how they balance on top of each other without falling is a miracle! To have the luxury of being driven around so we could both look out of the windows was great...We both wanted to tell you all how truly grateful we are for the most interesting and amazing trip". Joe & Kim, United Kingdom.
